We had one of the **biggest Bake-Offs** we've ever had on 7th Feb, with 31 students signing up to take part! The Food Tech room was packed full of students! They all made some **incredible cakes**, decorated following the theme of Valentine's Day. Thank you to **Ms Morris for organising it all** and the staff who came along to be judges.

YR8 #REWARDS – QUIDDITCH!

As a treat to reward those Y8 students, who are **always doing the right thing**, making the right choice and have good attendance, Ms Howard arranged with the PE team for them to take part in a **FUNTASTIC game of Quidditch!** It really was a lot of fun, with students sorted into House teams and Harry Potter music playing as the games commenced. The **Ravenclaw team came out victorious!** Ms Howard is now looking at plans for the next end of term reward which also happens to be right around Easter!

We would like to congratulate Miss Barnes and her Year 10s for **their hard work on the performances** on 1st Feb. It was lovely to see the **students act** in front of parents, staff and peers with plays that will give them all solid results towards their final grades next year. Thank you to staff who were able to watch; the **students really enjoyed themselves.**
