As before, in order for us to ensure we know which students are on site during the sessions, please can you complete the permission slip below and send it in with your child for every session that they attend. Students will need to sign in at the Front Reception and hand in their permission slip. Can I please take this opportunity to remind students that they need to be punctual to the start and be aware of the end times of the sessions. The expectation is that if students are taking up the offer of intervention during half term, they arrive on time and stay until the teacher has finished.

Yours faithfully

Mr M Godden  
Deputy Head
