OLD VIC WORKSHOPS & TRIPS

The Creative Arts Faculty has had a very exciting start to the new year! We are part of The Old Vic's Education programme for the year, involving a series of workshops held here at school, and four performances at The Old Vic. Two weeks ago the students took part in a fabulous workshop with two members of the Old Vic company where they demonstrated a wonderful flair for directing; last week we took the students to see the play 'Pygmalion' at The Old Vic theatre, and they loved the whole experience!

We are delighted that our students have made such a wonderful start on their theatre journey, and we have received many wonderful comments from members of the public, on public transport, in the theatre, and visiting professionals, about the fantastic behaviour and focus of the Kemnal students, and how they are a credit to our school. Both Miss Barnes and I are incredibly proud of our students, and look forward to the next workshop and play in the series - 'A Christmas Carol' - that we will be seeing before the Christmas break.

YEAR 8 MOVIE TREAT

Ms Howard arranged for a movie & popcorn treat P5 on Wednesday 18th for a selection of Year 8 students who had been nominated by their form tutor for their excellent behaviour this term. There was a vote which was pretty unanimously in favour of Spider-Man: No Way Home!

For **World Mental Health Day**, our Wellbeing Ambassadors took part in ITV's 'Britain Get Talking' homework task.
